DESIGNED FOR
SAFETY AND STABILITY

THE 328 LIGHT DUTY IV STAND

- Lightweight / Economical Solution
- 25-inch diameter PC/ABS polymer 5-Leg base
- 2-inch twin wheel plastic casters
- Slow-descending stainless telescoping inner pole
- Stainless Steel 4 hook top IV bag hanger
- Support Handle

The 328 is a durable 25-inch diameter PC/ABS polymer five-leg base, lightweight IV stand. This is a great cost-effective, economical solution for mounting lightweight devices in a general care hospital setting. It is topped with a stainless steel four-hook IV bag hanger along with a stainless steel slow descent telescoping inner pole for safe height adjustments while under IV bag load. This stand also features a patient support handle "support wheel" to assist patients while self-ambulating.

This stand is built from the ground up using high grade polymers and stainless steel extending the useful life of the pole while standing up to the harsh hospital environment. The casters and stand are both warrantied for one full year.

ACCESSORIES

LAPTOP MOUNTING PLATE

Accessory 502

- Designed for most laptop computers
- C-clamp designed to attach to vertical poles
- Mounting plate with epoxy finish
- 5 mounting footpads 1" x 3/8" with adhesive tape
