THE 150

VERSA IV POLE & SPEED CLAMP MOUNT

- Designed for Safety and Stability
- Adjustable ball clamp for 360° rotation
- Adjustable telescoping top pole
- Stainless Steel 2-hook top IV bag holder
- Speed Clamp Technology
- Compressed height 15" from clamp
- Fully extended height 26" from clamp

The 150 is an articulating IV pole with 360° rotation. This compact IV pole is ideal for mounting in small places where a standard IV pole will not fit or function. Additionally, the versa pole comes with Pryor's patented speed clamp technology for rapid mounting on a variety of surfaces such as tables, poles, wheelchairs, bed rails, gurneys, and stretchers. The adjustable ball clamp allows for a full 360° rotation along with a telescoping top pole for height adjustments. Once desired position is established easily tighten and unit remains locked in place.
