

Safety Series IV Stands

115G

STANDARD DUTY IV STAND

Medical Device Mobility Solutions

Designed For Safety And Stability

115G Safety Series IV STAND

- Designed with the Latest Safety Series Technology
- 6-Legs with a Slim 22-inch Diameter Base
- 3-inch Dual Precision Sealed Casters (10 yr. warranty)
- Telescoping Stainless Steel Slow Descending Inner Pole
- Stainless Steel 8-Hook Rake Top
- Support Wheel and Tray

Experience unparalleled stability and durability with the 115G, a remarkable addition to the Safety Series Family of IV Stands. Laser cut steel is welded to the base of the IV stand for improved stability. The stainless-steel top pole includes a rake top allowing for convenient organization of IV bags. The top pole incorporates our patented slow descent telescoping inner pole for safe height adjustments while under IV bag load. This IV stand also features a support wheel to assist patients while self-ambulating.

The low center of gravity, slim twenty-two-inch base, is ideal for tight spaces. The small footprint can help reduce bedside clutter. The modern white casters will retain their appearance throughout the lifespan of the IV stand, eliminating any concerns of tarnishing. The premium casters ensure effortless mobility and include an industry-leading 10-year warranty!

Pryor builds every IV stand from the ground up using high grade steels, stainless steels, and includes a white epoxy powder coat finish, all extending the useful life of the pole while standing up to the harsh hospital environment.

ACCESSORIES

ALUMINUM HANDLE

Accessory 317

- Allows IV stand to be used as a “walker” by patients
- Creates ideal “lower push point” for patients
- Easy-grip handle for stability
- Robust aluminum design

DRAINAGE BAG HOLDER

Accessory 286

- Pigtail hook
- Plastic mount blocks
- Designed for Pryor 1.25” diameter poles
- Urinary bag holder mounts to base pole

POWER STRIP + O2 HOLDER

Accessory 205

- Hospital grade, UL 1363A standard
- Four-outlet strip, 15 ft. cord
- Oxygen tank rings accommodate D&E gas cylinders
- Optional 6 outlet power strip, item # 206

TRANSDUCER HOLDER

Accessory 132

- 7/8” stainless up-right tube for mounting transducer
- Transducer mounting tube is 24” long
- Tube is set vertical when mounted to a vertical pole
- Height adjustable using attached clamp

4" CASTER

Accessory CAS -1187

- Optional 4” caster
- White raceway matches epoxy white base
- Not interchangeable with 3” caster
- Must be requested at time of purchase

BASKET WITH HANDLE

Accessory 288

- Outside dimensions H 8.00", W 12.90", D 7.00"
- Cord management hooks and wire loops
- Gray epoxy finish, diameter 7/8” handle
- Plastic mount blocks and screws for 1.25” poles
